

The Oroville Booster Club would like to express an abundance of gratitude to everyone who assisted in the 3 on 3 Tournament. Many helping hands are required to ensure the success of an event so large, and we want each and every person who volunteered to know that they are greatly appreciated.

A great big THANK-YOU to:

Sponsors who graciously donated financial resources; community members, businesses, school employees and students who donated equipment, material, services and labor; radio and newspaper partners who helped get the word out; the many, many on-site volunteers including concession stand servers, court monitors, and score table workers; players, without whom there would be no event; OHS for the use of the grounds; and the fabulous group of men and women who help with the grounds clean-up and tear down!

This event could not have been accomplished if even one aspect was missing, so with most sincere hearts – WE THANK YOU ALL!
