REPORTS, GOOD NEWS AND ANNOUNCEMENTS

Jamie Mikelson – Elementary Principal

Celebrations – 3rd & 6th grad May Day Royalty were elected.

*3rd Grade – Ava McNair and Bobby Lepley; 6th Grade – Shiloh Willis and Eli Sandoval
Administrative Professional Day was April 21st.*

6th Grade students are beautifying the grounds by replanting the raised garden beds in the courtyard.

Curriculum – ELA curriculum is here and being passed out teacher’s editions to staff and scheduling training for this spring.

They are pilot tow math curriculum this fall with the goal of adopting in January. Samples are being ordered and the same process for curriculum adoption will be followed.

Testing – Smarter Balanced Assessments have been postponed until this fall.

Student will complete spring NWEA testing by May 7th. Staff will analyze student’s progress from fall to spring to inform building goals for next year.

Leoni Johnson – High School Principal

The High School is in the midst of NWEA testing for the Spring. Students are testing in reading, math, and science. Teachers will be using this data for their yearly growth goals and to plan for classes for next year. We will also use the date to assist in making decisions for summer school.

Seniors are currently doing exit interviews for their Post-Secondary Preparedness Project. We have 4 positions at the JH/HS for the upcoming year. A traditional science position, an upper level language arts, and English Language Learner/Bilingual position, and the AD/VP/Transportation Director. We are looking for another language arts teacher, history teacher, special education teacher and counselor.

Four students are in the middle of completing their final project as part of the Project Based Learning. The plan is to be completed in the next 2-4 weeks.

Outdoor graduation is being planned for this year, allowing us to have the most people in attendance as possible. More details to come.

Building leadership team is focusing on creating goals for the 2021-2022 school year which will align with the district vision and with moving us forward as a building and a district.

Jeff Hardesty – Superintendent reported on the hiring season. Due to receiving Federal stimulus dollars to address any potential learning loss stemming from COVID-19, Oroville School District is fortunate to provide a larger variety of courses and experiences for our students beginning fall 2021 school year. Many of these positions are in addition to or rehires. Staff are hard at work screening and interviewing candidates to fill open positions. Facilities Projects – Various Summer Projects were discussed.

Food Services – The District began a revisioning for the Food Service program during the 2018-2019 school year. COVID closures placed a delay on restructuring. A food service committee was formed. As a result of several committee meetings, discussions, site visits and contract negotiations with Chartwells we will plan to review their recommendations for how to structure our food service program and to determine our next steps for accomplishing our food service visions beginning the 21-22 school year.
