

Safety Committee Meeting 2/14/18

Safety Committee Members Present: Jeff Hardesty, James Bretz, Steve Thompson, Omar Montejano, and Ed Booker.

7:30 am – 8:00 am

The committee reviewed the minutes from the meeting on January 24th. The committee approved the minutes from the previous meeting.

Review injuries, incidents, safety hazards, safety concerns:
There were no new injuries/accidents to report.

Action plans/training program:

We had the ESD send a person up to perform a security audit for both schools. We learned there are a few things we could do to aid in the safety & security of staff and students. We have ordered radios to be used in both buildings for staff during the day and for emergencies. We have also ordered new signage for both buildings to let visitors/staff/parents know that they will need to check in at the office before going to classrooms or being in the building.

Items referred to Administration:

The Grade School emergency lighting has been fixed. The Elevator light has been fixed.

Any other concerns? None

Next meeting – 2nd Wednesday of each month at 7:30am in the district office. (April 11th)

Meeting adjourned at 8:00 am.
